## THE SHOW

The little lady with the big voice and infectious personality has been engaging audiences for over 20 years with her award winning shows.

Sonia's repertoire is a dolly mixture of great standards and witty triumphs, ranging from Big Band to the bopping 60's. Other highlights feature the magical musicals at which she excels, and a most unique and popular coverage of materiel by the great Minelli, Garland and Streisand. All for use with a 4 to 10 piece Band.

Expect to see great things from this little lady; she is definitely a rare stone. Her ability to take the stage and demand an audience to watch is a gift, she shines there and it is evident that she belongs there...
